Allergy and Infectious Diseases
National Institutes of Health

PIIPA

Special Programme for Research & Training
in Tropical Diseases (STR) sponsored by
UNICEF/UNDP/World Bank/WHO

A number of organizations, after seeing sample chapters of the *Handbook*, came forward to purchase copies for wide distribution in developing countries. We are grateful for their generosity and extend our thanks in advance to others who will join their ranks. For an updated list of Distribution Supporters, please visit www.ipHandbook.org.

Indirect or in-kind support provided by AUTM, Dynamic Diagrams with Frederick Toth & Associates, Inc., NIAID, PIIPA, and Venable LLP.

Individuals are also encouraged to purchase *Handbooks* on behalf of developing countries; we will distribute such orders at cost.
